### Groupe Renault: information certified and verified by Wiztrust

- **Groupe Renault now relies on the blockchain technology developed by Wiztrust to certify all its press releases.**
- **Extra security for all stakeholders as they can verify the authenticity of all distributed information.**

Boulogne-Billancourt, 02/20/2020

As it releases its **new Media portal**, [en.media.groupe.renault.com](https://en.media.groupe.renault.com), Groupe Renault wishes to announce that it certifies all of the information issued to the press with blockchain technology. This audience can now **verify the authenticity of content** from the Group with a simple drag and drop to: [wiztrust.com](https://wiztrust.com). Every release has a unique blockchain identifier generated by Wiztrust, Wiztopic's **information certification platform**.

Through this new mechanism, Groupe Renault aims to guarantee the highest degree of reliability in the distribution of its information to all stakeholders.

## About Groupe Renault

Groupe Renault has manufactured cars since 1898. Today it is an international multi-brand group, selling close to 3.8 million vehicles in 134 countries in 2019, with 40 manufacturing sites, 12,700 points of sales and employing more than 180,000 people.

To address the major technological challenges of the future, while continuing to pursue its profitable growth strategy, Groupe Renault is focusing on international expansion. To this end, it is drawing on the synergies of its five brands (Renault, Dacia, Renault Samsung Motors, Alpine and LADA), electric vehicles, and its unique alliance with Nissan and Mitsubishi Motors. With a 100% Renault owned team committed to the Formula 1 World Championship since 2016, the brand is involved in motorsports, a real vector for innovation and awareness.
