## PARTICIPE TO THE CHAT ON SAVE PROJECT

The coming July 11th, from 6.30 P.M (Paris time) will held a chat around the SAVE project. The main actors of the biggest French experience electric mobility will be in live on the [sustainable-mobility.org](http://sustainable-mobility.org) to explain the advances done by the project, but also give the first feedbacks of the users of the electric vehicles.

On the 11th July, join us on sustainable-mobility.org, where those involved in the SAVE (Seine Aval Electric Vehicle) project, the French largest electric mobility test, will be available to answer any questions you may have.

SAVE project has been developed in order to allow particular people and professionals of 51 cities of the Yvelines department to live the real life of the electric mobility on a period from 12 to 18 months.

From now and during the live on July 11th, at 6.30 P.M (Paris time), you can ask all your questions to the managers in charge of this experience. Do not hesitate to connect you [here](#) and leave your questions.
