

RENAULT AND CRÉDIT AGRICOLE, TOGETHER ON TRANSPORT FOR PERSONS WITH LOW MEANS

In December 9th, 2015, Renault Mobiliz and Crédit Agricole's *Points Passerelle* of Centre Est, Loire Haute Loire and Savoie sectors, signed a partnership agreement on skills and resources deployed to help persons with low incomes in Rhône-Alpes region.

Renault Mobiliz program and Crédit Agricole's *Points Passerelle* scheme are joining forces to offer transport solutions capable of improving employment and social inclusion for persons with low incomes.

The partnership signed on December 9th in Vénissieux, for Rhône-Alpes region, covers two points:

- **Identify beneficiaries of the Crédit Agricole's Points Passerelle services for whom car transport is an essential need for finding or keeping a job, and for whom buying, maintaining or repairing a car is not affordable.**
- **Organize interfacing for Crédit Agricole's Points Passerelle centres with the network of Renault volunteer garages, on cost-price service including maintenance, repair and used vehicle sale.**

In March 2015, Renault Mobiliz and Crédit Agricole's Points Passerelle had signed a first national partnership agreement to help people with low incomes. The implementation of this partnership on Rhône-Alpes region allows to concretize this agreement on the ground, close to Rhone-Alpes future beneficiaries.
